

## PHILCON 2005 ART SHOW RULES

### ARTWORK REGULATIONS (WHAT TO ENTER)

The purpose of this Art Show is to exhibit original art works of a **science fiction, fantasy, and/or fannish nature**. Both flat and 3-D art work will be accepted for display and sale.

All flat art must be matted, framed, or otherwise mounted. Framed works must have a wire for hanging. Every piece, whether print, flat, or 3-D must be labeled with its title, price, and the artist's name.

**Multiple original** art is hand pulled work such as serigraphs, silk-screens, etchings, lithographs and woodblocks, with a print run of less than 100. The following information must be clearly visible in pencil on each copy: artist's signature, title, date and print# of total run#.

**Prints** are defined as photoprints of artwork originally done in another media, photocopies, and commercially produced multi-lithographic copies. All prints will be tagged with a yellow ID/bid sheet. One copy of each print may be displayed in the Art Show but will be for direct sale. Additional copies may be sold via the Print Shop.

**Computer-generated prints** and fine art photography will be considered original art if accompanied by a statement from the artist confirming same; otherwise, they will be treated as prints, above.

Once an item has been entered in the Art Show, it may not be withdrawn or the conditions of sale changed without the consent of the Art Show Director.

ALL ITEMS FOR SALE MUST HAVE A MINIMUM BID OF AT LEAST \$5. (Name badges \$1).

Philcon 2005 offers the artist the option of **QUICK SALE**. If and only if there are NO WRITTEN BIDS on a piece, that piece may be immediately purchased for the Quick Sale price with the caveat that the physical piece may not be removed from the Art Show before 6 PM on Saturday. If you choose this option, we recommend that the quick sale price be at least 150% of the minimum bid for an item.

Art sales do NOT include reproduction rights. The artist and buyer must negotiate separately as per current copyright laws. Items which violate copyrights or trademarks, or are deemed libelous or obscene will not be permitted. THE ART SHOW MANAGEMENT RESERVES THE RIGHT TO REFUSE ANY ARTWORK FOR DISPLAY AND/OR SALE FOR INAPPROPRIATENESS OF SUBJECT MATTER OR FOR ADMINISTRATIVE REASONS.

### DISPLAY SPACE DIMENSIONS

One full panel for flat work is 4' high by 6' wide. One full table for 3-D artwork is 2.5' x 6'. Panels and tables are divisible into halves. An artist may reserve up to three panels or two tables.

Please specify the number of panels and/or tables you wish to reserve. The Art Show Director reserves the right to assign less than the requested number if conditions warrant it.
